Sir,

Further to the receipt of the Notice of Allowance dated January 20, 2010 for the above referenced patent application, please note that the Applicant is a small entity. Same status was claimed at the moment of filing of the application although some fees were inadvertently paid as large entity. This status has not changed throughout the prosecution. Please refer to the attached ADS showing the small status claimed by the Applicant at filing.

Therefore, the fees applicable to the payment of the issue fee are those of small entity as follows:
Issue fee: \$755; Publication fee: \$300. The Fee Transmittal form has been corrected accordingly.

At the time of filing of the present, the Office was authorized to charge the fees believed to be necessary to a credit card. In case of any under- or over-payment or should any additional fee be otherwise necessary, the Office is hereby authorized to credit or debit (as the case may be) Deposit Account number 502977.

Respectfully submitted,

Respectfully submitted,
